

# SeascopeChallenge 2018

18. - 22. April 2017.  
Jezera, Croatia

## Entry fee and registration

Entry fee is 200 € per boat.

It includes berth, slip, car and trailer parking, welcome drink, dinner @ Modro Oko Restaurant on Thursday - fish or meat menu (does not include drinks and dessert), prize giving, on shore briefings and lectures, support/media rib, Sentinel trackers, organised warm up on the water, and organisation of the event.

- Registrations open on January 5<sup>th</sup> of February at 17:00 CET
- Starting from that time you are invited to fill the web entry form on:  
[www.seascopechallenge.com/registrations/](http://www.seascopechallenge.com/registrations/)
- By submitting your registration, you will book your slot for the race. Time of submission is considered as the registration time. Since the number of boats for the race is limited, the first come, first served rule applies.
- After having your slot booked, you will receive payment details. The entry fee will have to be covered within 72 hours from the time you registered. Otherwise, you lose the slot to the first one on the waiting list.
- Available slots for the Seascope Challenge 2018 is 30 regardless of the class.

## Other expenses

The participants cover accommodation, food and all other expenses not stated in the entry fee specification.

- For the 27s Šime Stipanićev organizes crane launching of the boats in Jezera (launching and mast set-up) 2 actions – 250 €. Check this option in the entry form.
- Private accommodation can be organised in Jezera at favourable off-season price. Please contact Marina from FreeSpirit for more information: [marina@freespirit.center](mailto:marina@freespirit.center)
- Dinner on Wednesday @ Modro Oko is optional

## Rent a Seascope

If you do not have your own Seascope or you don't want to bother with the transportation, we are here to help. Now you can rent a Seascope from Seascope charter (the 3 available from FreeSpirit are already booked). Contact Vid for booking: [vid@thinkseascope.com](mailto:vid@thinkseascope.com)
